

Canada TECH VIRTUAL CAREER FAIR

24 MAY 2022

6:00 - 8:00 pm EST

Canada welcomes technology degree holders from around the world!

Meet representatives of leading Canada-based companies interested in recruiting international workers in tech fields for job openings.

Students with work experience in the following tech fields are strongly encouraged to participate:

- o engineers
- o programmers
- o software developers
- o geophysicists
- o systems administrators

Participating companies include: British Columbia Lottery Corporation (BCLC), Ideon Technologies, Diversio, Snowed in Studios and Neo Financial.
